

## CERTIFICATE OF ACCREDITATION

*In terms of section 22(2)(b) of the Accreditation for Conformity Assessment, Calibration and Good Laboratory Practice Act, 2006 (Act 19 of 2006), read with sections 23(1), (2) and (3) of the said Act, I hereby certify that: -*

**MMRISK (PTY) LTD**  
**Co. Reg. No.: 2016/516497/07**  
**CENTURION**

Accreditation Number: **MHI0037**

is a South African National Accreditation System Accredited Inspection Body to undertake **TYPE A** inspection provided that all SANAS conditions and requirements are complied with

This certificate is valid as per the scope as stated in the accompanying schedule of accreditation, Annexure "A", bearing the above accreditation number for

### **THE ASSESSMENT OF RISK ON MAJOR HAZARD INSTALLATIONS**

The facility is accredited in accordance with the recognised International Standard

**ISO/IEC 17020:2012 AND SANS 1461:2018**

The accreditation demonstrates technical competency for a defined scope and the operation of a management system

While this certificate remains valid, the Accredited Facility named above is authorised to use the relevant SANAS accreditation symbol to issue facility reports and/or certificates

A handwritten signature in black ink, appearing to be 'Ms FS Radebe', is written over a horizontal line.

**Ms FS Radebe**  
**Acting Chief Executive Officer**

**Effective Date: 12 October 2022**  
**Certificate Expires: 11 October 2026**

This certificate does not on its own confer authority to act as an Approved Inspection Authority as contemplated in the Major Hazard Installation Regulations. Approval to inspect within the regulatory domain is granted by the Department of Employment and Labour.

ANNEXURE A

SCOPE OF ACCREDITATION

Accreditation Number: MHI0037

TYPE A

|                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                            |
